The Tribunal will hold a hearing under sections 38 to 56 of the Code, the *Statutory Powers Procedure Act*, and the *Hearings in Tribunal Proceedings (Temporary Measures) Act, 2020*, on a date or dates to be set at a case management conference, to decide whether the registrant has committed an act or acts of professional misconduct and/or is incompetent.

The College will file this Notice with the Tribunal. The Tribunal will then set a date for the first case management conference and send it to the parties with more information about the Tribunal's process.

**If the registrant or their representative does not attend the case management conference or the hearing, the Tribunal may proceed in the registrant's absence and the registrant is not entitled to any further notice in the proceeding.**

- if the act of professional misconduct was the sexual abuse of a patient, require the registrant to reimburse the College for funding provided for that patient under the program and/or require the registrant to post security acceptable to the College to guarantee this payment.

The Tribunal may, under subsection 53.1 of the Code, require the registrant to pay all or part of the College's costs and expenses.
