In this proceeding, Registrant means "member" as set out in the *Regulated Health Professions Act, 1991*, the Health Professions Procedural Code, the applicable health profession Act, and the regulations thereto.

The allegation(s) are that the registrant:

 - c. under paragraph 1(1)1 of O.Reg 856/93, in that he contravened a term, condition or limitation on his certificate of registration; and

Further information about these allegations is set out below:

The Tribunal will hold a hearing under sections 38 to 56 of the Health Professions Procedural Code (Code), the Statutory Powers Procedure Act, and the Hearings in Tribunal Proceedings (Temporary Measures) Act, 2020, on a date or dates to be set at a case management conference, to decide whether the registrant has committed an act or acts of professional misconduct and/or is incompetent.

The College will file this Notice with the Tribunal. The Tribunal will then set a date for the first case management conference and send it to the parties with more information about the Tribunal's process.

If the registrant or their representative does not attend the case management conference or the hearing, the Tribunal may proceed in the registrant's absence and the registrant is not entitled to any further notice in the proceeding.

If the Tribunal finds the registrant committed an act or acts of professional misconduct, it may make one or more of the following orders under subsections 51(2) of the Code.
